GURUSHILP Natural School

School is located in a picturesque campus, near the Satara City & foot of the hills

Our Vision

We envision a school -

The School is not merely a centre for scholastic excellence but it also caters for all round development. The vision behind its foundation is far more foresighted and laudable. It is different than other schools in that it caters to the nurturing of not only the mind but also the body and the spirit with greater emphasis on moral integrity. A cadet grows up to be agile in physical activities, alert in mental application besides being ingenious, resourceful, preserving, disciplined, self-reliant, self confident, optimistic & trustworthy. He also develops abundant leadership qualities and greater civic sense

School Campus

The campus is a picturesque site near the Satara City, nestled safely in the folds of the hills. This 1.5 acre site has its orchard and playing grounds. During the rainy season every day is a picnic. Undoubtedly, it is the most scenic school in Satara.

MOTTO

The School Motto is " **Serve for people,**

Live for our country &

Live like legends."

Curriculum

SSC : The school is affiliated to the Maharashtra State Secondary Certificate Examinations. The medium of communication is English. However, we firmly believe that a knowledge of Languages is an asset and therefore introduce Hindi & Marathi from Std. I and Japanese or French or German at a later stage. Limited strength of 30 cadets in class with personal attention.

Co-Curricular Activities

These activities play an important part in the training imparted to the cadets. The scheme provides ample scope for the development of the cadets creative faculties and skills in fine arts and crafts. In order to develop their hobbies, cadet join various clubs viz Photography, Music, Drama, Science, Environment and gardening.

Physical Training, Games And Adventure Activities

Besides the necessary buildings for classes, Labs, Library and offices, the Gurushilp Natural School campus also has extensive tree cover, and lots of areas for games. All boys take part in Physical Training in the morning and attain a high standard. The School has well equipped. Games in the evenings are compulsory for all cadets. The School has an adequate playgrounds so that all the cadets can play outdoor games simultaneously. Facilities for various games and sports, viz, Cricket, Football, Basketball, Handball, Table Tennis, Volleyball, Air Rifle Shooting, Horse riding and Athletics are available. The location also makes it an ideal spot for trekking, camping and rock-climbing all of which are regular activities of the school. We want cadet grow up in an environment as close to nature as possible a place that is happy and healthy and fun.

Adventure & Shooting

Various extracurricular contents like Debate, Declamation, Extempore speech are also given due weightage to improve communication skill of cadets. The Morning Assembly cultivates good character with its non-denominational prayers.

Assessment Pattern:

Effective learning needs periodic assessment. To reduce the trauma of examinations we have worked towards an overall evaluation process. Projects, daily class work, informal tests, quiz sessions, and participation in all co-curricular activities will form the basis of our assessment pattern.

Working Environment

The school is based on the principle of courtesy and mutual respect. Our school program balances traditional and innovative methods. It provides each cadet the opportunity to develop intellectual curiosity, attain academic excellence and grow in self-reliance. The faculty & parents have share a commitment to recognizing & developing each child's uniqueness, moral responsibility & social awareness.

Counseling

The school has a number of professionals available for consultation by cadet & parents. We make special efforts to provide necessary help for cadet with learning difficulties so that all the cadet can be assimilated in the normal process of schooling.

Day-Boarding

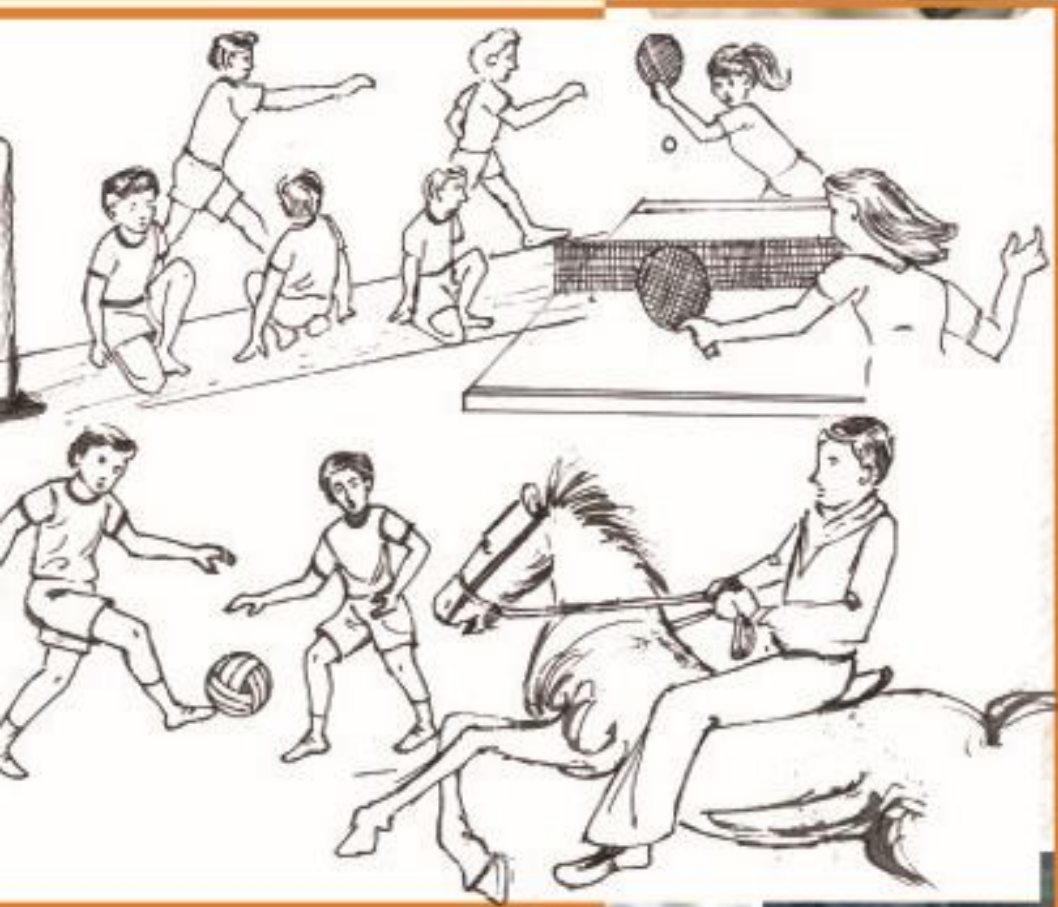

The Gurushilp Natural School is a "Day-Boarding & Boarding" school from the primary section onwards. During their time in school they study, play games, rest and do their homework, revision, studies and preparation. It is our desire that once cadet return home they should have the opportunity to spend Quality Time with their parents, not worry about school work.

Day-boarding also includes morning & evening snack and a nutritious 100% pure Veg. balanced lunch to be eaten in the company of friends. Children learn to eat without being fussy and we get a chance to teach them some social skills. But most of all, it gives a chance for cadet to bond with each other and develop life-long friendships.

We hope it will also give respite to tired mothers from the daily chore of preparing a tasty tiffin-box!!
